We will Highlight Three Ministries.

Hear about Redeemer Community Church's
One Church - Two Congregation Model.

Launched in 2016, Redeemer en Español is not a budding church plant. It is the Spanish-speaking expression of Redeemer. Our desire is to reach the ever growing Hispanic population here in Katy, but to do so in a way that gives the best opportunity to reach both the Spanish speaking adults and their English speaking children. Come learn about this model and how Lead Pastor Mitch Maher and Spanish Pastor Antonio Muñoz make it happen.

Hear about the ministry of the
Pregnancy Resource Medical Center.

Lisa Pearson ~ Executive Director

Hear about pastoring a Transitioning Church.

Asain American Baptist Church changed it's name, vision and mission. Their new name is Faith Fellowship Church of Ft. Bend. They are in the same location (2723 Kingsbrook Lane, Missouri City) but they have a new focus, ministry target, and a new pastor. Come, hear the testimony from their new pastor David Barrett.

Update from Melissa Toon and the ministry of Loving Houston.

The first thing we are working on with LCISD in particular is the Common Threads HOPE ON THE BRAZOS event on August 3rd. Any church interested in helping out with this event can contact me. There will be opportunity for churches to help with getting needed resources to families from all over the district that day.

The other thing is happening in Houston but some of the SFBA folks might still be interested. We are inviting folks from all over this area to gather and pray for the upcoming school year.
