PROPEL

SFBA Mission Celebration

REPENT!

The challenge we received from the message at PROPEL.

On Sunday night, January 27, churches from San Felipe Baptist Association gathered at El Buen Pastor Baptist Church in Katy for PROPEL," a celebration of the mission of God by His people." The goal is to PROPEL our churches into missions. Sunday night was filled with incredible worship led by Antonio and Becky Muñoz and the Redeemer Community Church praise team. We heard three inspiring stories of churches practicing an Acts 1:8 mission. More churches are taking seriously Christ's challenge to be witnesses in Jerusalem (locally), in Judea (nearby), to Samaria (the overlooked) and to the ends of the earth (the unseen parts). Pastor Tony Ramos from Grace Fellowship of Sealy shared how his church is actively witnessing in area apartment complexes and seeing many come to Christ. Pastor Roger Rodriguez from Segunda Iglesia Bautista of Rosenberg told how their church started two churches in Mexico and about the positive impact that "Samaria" missions have had on their own church. Kyle and Alissa Pean from West End Baptist in Industry shared how they are preparing to leave for a year in language school before moving to Peru. Having felt the call from God at an early age to be missionaries, they are excited about this next step. God's work and touch from Industry to "the ends of the earth." The evening was highlighted with a soul stirring message from keynote speaker, Joe Arms. Joe is the senior pastor of the Spring and Magnolia campuses of Believers Fellowship. Pastor Joe preached a challenging message reminding us that a Great Commission church starts and sustains itself with repentance. The night was completed with the host church preparing and serving pupusas. Special thanks go to Pastor Abraham Arevalo and all the members from El Buen Pastor Baptist Church, Katy.

Update on John Olagbemi and the status of becoming a King.

Please be praying for John, Felicia and his family as they await his coronation.

Here is an excerpt from a note from John.

We are still waiting on coronation day to be scheduled by the New administration. We didn't anticipate it will take this long. There was a change of state administration on Nov. 27, 2018 and that slowed down the process at the moment. It is posing a lot of administrative challenges on the town. I have to stay back here till the coronation.

Ministry Tool Box

We all have the basic tools in our tool box. We have a hammer, screw driver, saw and a crescent wrench. But it is fun to go to a tool sale to see if there is a new tool available. You never know, one day you might need that special tool. In the same way it is useful and important to build a Ministry Tool Box filled with an assortment of tools.

Are You Adequately Preparing For Retirement?

Pastors and office personnel of small churches are just as important in the Kingdom as those of large and mega churches. Unfortunately, those of us who serve in the smaller ministries are at a disadvantage when it comes to benefits. If you have believed that a retirement plan is too expensive to join, or if you believe that your

ministry is too small to offer a retirement option, then you need to get informed about the 403(b) plan that is specifically designed for ALL pastors and church-paid staff.

This 403(b) has more advantages than a IRA or a 401(K). When populated by an Indexed Annuity, it is able to grow without risk of losing principal or interest. You also have the advantage of contributing up to \$19K a year, if you're under 50, and up to \$24,400.00 per year for those over 50. Another advantage is that you can begin withdrawing it at age 59 ½. There are no fees to enroll. There are no fees to maintain it. It's basically like having a savings account on steroids. If you would like to know more information about this, please contact Steve Suders at ssuders@valuteachers.com, or call or text him at (757) 870-0969.

Each month we will try to give you a new tool for your tool box.
