Are you interested in hosting a MEDICARE Benefits Seminar?

Luis Uy from [Summit Christian Church](#) is willing to come present a FREE seminar at your church.

Luis has been involved in educating our seniors for the last 3-years. It is always a surprise to find out how little our seniors know about Medicare and the benefits it provides. Because of this, most seniors do not even use more than half of the benefits they are allowed. Imagine working hard all our life and contributing to the system only to leave so many benefits out without even using it. Some seniors even pay for services that are supposed to be part of their benefits. Because they are not educated on how it works, they never get to use this benefit.

Some of the information presented are:

1. Original Medicare -- what it covers
2. How does Medicare work
3. Options available -- additional services provided like (vision, dental, gym, transportation, prescription, over the counter benefits and a more).

For more information or to schedule a seminar contact Luis Uy.
