Have you thought about a
Virtual VBS?

FBC Rosenberg is offering their material and online access to churches in our association. See the attached email from Marian Perry and contact the church for more information.

Our church filmed four sessions of a virtual VBS using the "Concrete & Cranes" theme from Lifeway. We included their worship rally music, drama and missions videos. We added one of our teachers telling the Bible story. We wanted to share these if there is a small church somewhere that was not able to have VBS this year and might want to use them. They can be accessed on our web site: firstrosenberg.org/vbs and the password is vbs2020. We should mention that we talk about collecting an offering for our local Pregnancy Resource Center, which would not apply to another church somewhere else.
